I/We will be solely responsible to know and understand such risks as specified in the prospectus of

the fund. I/We understand that the past performance of such UITFs and mutual funds is not a guide to their future performance.

All references to the word "securities" in this Agreement shall be deemed to include such funds, all references to "buy", "buying", and "purchase" of such securities shall be deemed to include a subscription to such funds, and all references to "sale", "sell", and "selling" of such securities shall be deemed to include redemption of such funds. 13. **Risks.**

- a. **General Risk Warning.** I/We am/are aware that **THE PRICE OF SECURITIES CAN AND DOES FLUCTUATE, AND ANY INDIVIDUAL SECURITY MAY EXPERIENCE UPWARD OR DOWNWARD MOVEMENTS, AND MAY EVEN BECOME VALUELESS. THERE IS AN INHERENT RISK THAT LOSSES MAY BE INCURRED RATHER THAN PROFIT MADE AS A RESULT OF BUYING AND SELLING SECURITIES.**

I/We understand that past performance is not a guide to future performance.

I/We understand that there is an extra risk of losing money when investing in high-risk securities. High-risk securities are securities of companies with neither a track record of profitability nor any obligation to forecast future probability. There may be risks arising out of the emerging nature of such companies and the business sectors or countries in which these companies operate. High-risks are also associated with trading in derivatives, like options and warrants. A high investment risk may be attached to any investment therein.

I/We agree that there are potential risks of investing in high-risk securities and I/We should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of high-risk securities means that the market therein may be more suited to professional and other sophisticated investors.

I/We understand that there is a risk that high-risk securities may be susceptible to higher market volatility compared to securities traded on the main board of the Philippine Stock Exchange, such as but not limited to stocks listed the small, medium, and emerging (SME) board of the PSE. No assurance is given that there will be a liquid market in such securities.

- b. **Prudence Required.** I/We understand that the risk disclosures do not purport to disclose all the risks and other significant aspects of investing in these securities. I/We should undertake my/our own research and study on the trading of high-risk securities before commencing any trading activity.
- c. **Professional Advice.** I/We acknowledge that I should seek professional advice if I/We am/are uncertain of, or have not understood any aspect of this risk disclosure statement or the nature of risks involved in trading of high-risk securities.
- d. **Risk Responsibility.** I/We acknowledge that I/We have ultimate decision-making authority over my/our investments in the account and that all orders are based upon my/our own investment decision. I/We am/are solely responsible for all orders entered, and will not hold any of the officers, directors, employees, agents, subsidiaries or affiliates of FirstMetroSec liable for any trading losses or other losses incurred by me/us.

14. **Confirmations, Account Statements and Other Notices.** I/We agree to accept confirmation of purchases and sales, and receive statements of my/our Account and other Account information and related documents through my/our SMS-enabled mobile phone, mail to my/our postal address or electronic mail ("e-mail") address or at any such other contact details as I/We may hereafter give to you in writing or by e-mail or through the Website. If I/We am/are a user of the Online Trading Facility, I/We agree to accept/receive the abovementioned documents electronically through the Website (exemptive relief from SRC Rule 30.2-2 granted on 23 January 2009). Confirmation of purchases and sales, and statements of Account, sent electronically or through any of my/our abovementioned addresses will be deemed sufficient delivery and shall be binding on me/us in the absence of any written objection received by you within 24 hours from the time confirmation and statements of Account were sent to me/us. It is understood that in the event of any failure to notify you in writing of any change of SMS-enabled mobile phone, mailing or e-mail address, all communications shall be directed to my/our last known SMS-enabled mobile phone, postal address or e-mail address appearing in your records. All communication so sent, whether by SMS, mail, e-mail, telegraph, telephone, fax, messenger, posted on the Website or delivered otherwise shall constitute personal delivery to me/us and be deemed delivered and received by me/us whether actually received/read or not. In the same manner, all notices sent by me/us, whether by mail, e-mail, text message/s via SMS, telegraph, telephone, fax, and/or another medium duly registered with you shall constitute personal delivery by me/us to you, and shall be deemed valid, subject to further verification/confirmation by you.

15. **Settlements.** It is agreed that all securities purchased will be settled not later than 11:00 a.m. of the second trading day after the transaction date, or the Settlement Date. It is further agreed that interest charges at the prevailing interest rate and penalties irrespective of their origin, including those that may be incurred by you shall be imposed for each day of my/our delayed payment and such securities purchased shall be registered in your name until such time that it is fully paid. In the event of my/our failure to pay, any upward or downward fluctuation in the market price shall be for my/our Account and at my/our risk, until actually sold or disposed of. It is understood that the securities market is a rapidly changing market and attached are the inherent risks of incurring losses in securities transactions. Therefore, I/We hold you free and harmless against any and all costs, losses, damages, fines, penalties, and taxes which may arise out of the exercise of your powers and functions duly authorized. Furthermore, you are authorized at your own discretion to sell all or a portion of my/our securities which I/We guarantee to be free from any and all liens and encumbrances to cover unpaid orders or balances, without prejudice to your right to collect the remaining liability after the sell-out. All orders for the purchase of securities will be on a cash basis unless T+2 settlement or margin trading is explicitly approved by you. My/Our Account must contain sufficient funds to cover the purchase price of the securities, your commission, and all the applicable costs attributable to me/us as the buyer. If full funds are not available in the Account and an order is processed, my/our payment via online facility, wire, personal check, cashier's check, or money order made payable to you must be promptly submitted to you to assure that such payment will be received and processed on or prior to 11:00 a.m. of the Settlement Date. If payment is not received by the Settlement Date, or as market conditions warrant, my/our Account may be liquidated, without prior notification. In the event that my/our Account is liquidated, I/We will be liable for any resulting losses and all associated costs incurred by you.

In the event the remittance of proceeds shall be made to an Account outside of the Philippines, I/We hereby authorize you to convert such proceeds in the foreign currency of my/our choice. You may source the funds within or outside the Philippine banking system, as may be allowed by law. All remittance and conversion charges shall be for my/our Account.

You will receive dividends on my/our behalf, and will credit my/our Account or issue a check within 30 days after the payable dates. I/We will be notified of any subscription rights received by you for my/our Account. I/We agree that all of your payments will be made to the exact registered Account name.

I/We understand that you provide no tax, legal, or investment advice of any kind, nor give advice or offer any opinion with respect to the nature, potential value, or suitability of any particular securities transaction or investment strategy. I/We further understand that while I/We may be able to access financial or investment information or services through your Online Trading Facility, the availability of such information does not constitute a recommendation to buy or sell any of the securities discussed therein or utilize any investment strategy. Any investment decisions I/We make will be based solely on my/our own evaluation of my/our financial circumstances and investment objectives. Any order entered using my/our password is mine. If third parties gain access to your services, including my/our Accounts, I/We will cooperate in defending and indemnifying you against any liability, costs or damages arising out of claims or suits based upon or relating to such access and use.
- d. I/We am/are responsible for knowing the rights and terms of all securities in my/our Account(s) and for monitoring the occurrence of any reorganizations or other corporate actions (e.g. warrants, stock splits and reverse stock splits) and any material information involving my/our securities by regularly checking the disclosures from the listed companies as posted in the official channels of such listed companies and the PSE. I/We acknowledge that certain securities may grant me/us valuable rights that may expire unless I/We take action on these rights. I/We understand that, except as required by law, you are not obligated to notify me/us of reorganizations or other events affecting the rights granted by my/our securities or, without specific instructions from me/us, to take any action on my/our behalf with respect to such events.
- e. For expediency, I/We understand that I/We have the option to open a Trade Settlement Account with Metrobank and enroll in the Metrobank *Online Banking* facility. In the event that I/We have an existing deposit Account with Metrobank, it may be designated as a regular and as a Trade Settlement Account at the same time.

- f. I/We hereby authorize you to automatically debit my/our Trade Settlement Account as and when I/We purchase securities through you, or whenever I/We have any other amounts owing to you, in such amounts as may be necessary to fully settle my/our Account(s) with you, including without limitation the purchase price of securities purchased, commissions, taxes and other applicable fees, costs, levies or duties.
- g. In case the deposit account I/We have designated as a Trade Settlement Account is a joint "or" account, I/We shall not hold you and/or the settlement bank liable for any action made by the other party in a joint "or" settlement account resulting from debit entries against the said account related to online trading.
- h. I/We understand that I/We will be allowed to purchase equities, fixed income securities, mutual funds or other products, up to the amount in my/our Trade Settlement Account and any clear funds I/We have with First Metro Securities. I/We also understand that you have the option to credit to my/our Trade Settlement Account the proceeds of my/our stock/fixed income securities/mutual funds/other product sell transactions, cash dividends, maturities, etc.
- i. I/We shall abide by the internal procedural policy of my/our settlement bank with regard to posting priority of bank transactions to my/our designated Trade Settlement Account.
- j. I/We understand and agree that you have the sole discretion to restrict trading on my/our Online Trading Facility or to cancel the same, at any time and without need of prior notice to me/us.
- k. I/We understand that you will not be responsible for the accessibility of, transmission quality, outages to, or malfunction of any telephone circuits, computer hardware or software (including viruses and bugs) or related/incidental problems.
- l. I/We agree that you shall not be liable for my/our inability to use the Online Trading Facility or for the access of the Website due to any unauthorized actions or transactions using my/our customer ID and password, or for any other cause beyond your control.
- m. I/We agree that you reserve the right to suspend service and deny access to the Online Trading Facility, without prior notice, during scheduled or unscheduled system maintenance, repairs, and upgrades. I/We also agree that you have the right to modify or enhance the Website or any of its pages and features at your sole discretion and without prior notice.
- n. I/We understand that the Internet service for the Online Trading Facility is provided on a best-efforts basis by third-party Service Providers. Since you are not the provider of the Internet Service, you shall not be liable for performance, acts, or omission of the said Internet service. Reasonable care and diligence have been taken by you in the choice of your Service Providers for the Online Trading Facility. - o. I/We understand that entering an order with you, including market orders, does not guarantee the execution of the order, and I/We agree that you shall not be responsible for any order that is not executed. I/We understand that you have the right to break any executed transaction on the grounds that it was, in your opinion, "clearly erroneous". You shall not be deemed to have received any order electronically transmitted by me/us until you have actual knowledge of such order. When I/We place a request to cancel an order, the cancellation of that order is not guaranteed. My/Our order will only be canceled if my/our cancellation request is received by the PSE and tallied with my/our order before my/our order is matched up or executed. During market hours, it is rarely possible to cancel my/our market order as market orders are subject to immediate execution. I/We am/are aware that you, from time to time, receive late reports from the PSE about the status of transactions. Accordingly, I/We may be subject to late reports related to orders that were previously unreported to me/us or reported to me/us as being expired, canceled, or executed. Any Account profile change is as good as if I/We signed it on my/our original Customer Account Information Form (CAIF). I/We shall be liable for all transactions placed through the Online Trading Facility resulting from the use or misuse of my password. I/We accept full responsibility for the monitoring and safeguarding of my/our Account(s).
